

2016 PROGRAM

MiniMakers is based on the worldwide MakerSpace phenomenon. MiniMakers is an informal program for school age children that encourages them to explore, engage and create. The program draws inspiration from local creative community members and the Dogwood Crossing exhibition program.

Sessions are held on the second Wednesday of the month from 3.30pm to 5pm (unless otherwise noted). Cost \$5 per child. All materials are provided.

- | | |
|---------------------|---|
| 10 February | Aerial View: View the streets of your town from a different perspective, painting with acrylics |
| 9 March | Wonderful Watercolour: Get started with watercolour, learning basic techniques |
| 13 April | Decoupage Boxes: Decoupage a special recycled box for all your treasures |
